8. All players of league age 8 and under are required to wear a helmet with a protective face mask to bat and run the bases.
9. Pony league games shall last no longer than 2 hours. At the end of 2 hours the game will be declared a regulation contest regardless of the number of innings played:
 - If the home team is winning in turn at bat they are declared the winner.
 - If the visiting team is winning in this turn at bat they will revert back to the last full inning
 - In the case of a tie at the end of two hours or 6 innings a game may continued at the discretion of the umpire and with enough daylight.
10. If an inning starts 10 minutes prior to the 2 hour time limit the inning will be completed with proper daylight
11. No inning will begin after 10 minutes before the 2 hour time limit
12. Pony games that end in a tie are considered a complete game. Each team will be given a half point in the standings
13. With 2 outs a pinch runner is required for the catcher in the Pony league. The runner must be a player from the bench who is not in the game. This doesn't mean you have to replace the catcher it is so the catcher can get the gear on to speed up the time between innings
14. A half inning shall be ended when the team at bat has scored 4 runs or 3 outs in the Pony league
15. All players wearing protective face masks may NOT slide headfirst at any time. Any headfirst slide and the runner will be called out.

19. No Pony player may pitch more than 3 innings per game and there will be no pitch count at the Pony level. If there is a 3rd game in the week all pony pitchers get 3 additional innings with proper rest
20. Midgets will not do a pitch count. A midget player pitching 3 innings or less needs one day of rest and pitching 4 or more innings will need 3 days rest.
21. Proper rest must be taken into consideration for all pitchers:
 - Since a pony player can only pitch 3 innings a game they must have one days rest before pitching again. Example: pitch Monday, rest Tuesday, pitch Wednesday.
 - Midgets:
 - A. 12 yr olds get 6 innings per week and one 12 yr old gets an additional 6 innings if their team has 3 games in a week as long as proper rest is followed. If a 4th game is played in a week an additional 12 gets another 6 innings.
 - B. All other midget players have a 6 inning limit per week and any 11 or 10 yr old gets an additional 6 innings if their team has 3 games in a week as long as proper rest is followed.
 - C. If a midget player throws 3 innings or less in a game, then they need one day of rest and can pitch one the 2ed day
Example: The pitcher pitches 3 innings on Monday that pitcher is eligible to pitch on Wednesday
